### *The Pastor's Two Bits...*

Welcome to Fairfield Glade First Baptist Church! Thank you for choosing to worship with us today! I hope you have a great experience with God as you offer your prayers and praise.

.....

Adam and Eve get a bum rap. They are blamed for getting sin started in the world (which they did) and because of that all of us are threatened with eternal banishment from God. Shame on Adam and Eve... right?

Let's get real. Admit it. If you were the first couple ever made, you would have done the same thing. You would have looked at that tree and said, "Mmmmm. That looks GOOOOD!" And we would all still be right where we are.

Don't blame Adam and Eve for your sin. Remember, they tried that. Adam blamed Eve and Eve blamed the serpent and all of them still got their come-uppings. Blame doesn't work with God. ---But humility does. Repentance does. God knows that you like sin, but get this... He loves you more than you like it. And He stands ready to forgive you at a moment's notice. Humble repentance is the key. Humbleness means that you are not proud of it. Repentance means that you determine in your heart to turn away from it and turn to Him; that you decide to live a lifestyle that reflects His righteousness. All of us still mess up now and then, but if your heart is given to God through faith in Jesus, then the mess ups should be fewer and 'smaller' as time goes by.

A good way to get the new year started is to take responsibility for who you are and what you do. Repent and let God transform you into a new person, doing better things.

- Pastor Doug
