The Pastor's Two Bits...

Welcome to Fairfield Glade First Baptist Church! Thank you for choosing to worship with us today! I hope you have a great experience with God as you offer your prayers and praise.

Psalm 141:2 (NASB)

*May my prayer be counted as incense before You;
The lifting up of my hands as the evening offering.*

Prayer is one of the ways to show God that you agree with Him.

What?

Prayer is one of the ways that you show God that you agree with His view of life...

...and love and kindness and grace and gratitude...

...and sin (what He calls sin is sin; you don't get to redefine it.)

It is a way to align your thoughts and attitudes and actions with His. Prayer is not trying to convince God to do things your way; it is submitting yourself to do things His way.

Humble submission is a key to effective prayer. Too many persons define life for themselves. They decide for themselves what lifestyles are ok, what circumstances justify lying or cheating or stealing, or which sins are acceptable for a more enlightened society. Therefore, they boldly and arrogantly approach the throne of grace with little or no remorse or shame or repentance. When God doesn't bow to their 'prayerful' demands, they conclude that there is no God.

...Humble submission is a key to effective prayer.

Mission Moment

Stella McMillian, Asian Pacific Rim Peoples

Lunar New Year is the biggest holiday in several Asian cultures. Millions of people travel back to their hometowns to be with family. As a result, believers return from large urban centers to smaller villages and towns where the gospel has yet to be proclaimed. Missionary Stella McMillan saw this in action when she traveled to her friend Xin Yi's hometown. She was not only the first believer in her family, but also the first believer in her town. As she loves her family, she demonstrates how Christ has changed her life. Pray for Stella and her local believing friends in their work to reach friends and family members who need to know Jesus.
