The Pastor's Two Bits...

Welcome to Fairfield Glade First Baptist Church! Thank you for choosing to worship with us today! I hope you have a great experience with God as you offer your prayers and praise.

I was born in the early hours of a Sunday morning. I don't remember it; I've just heard about it 😊. Shortly before I was born, my dad stopped going to church, but my mom never wavered. I am told that I was in the church nursery the next Sunday... and the Sunday after that... and the Sunday after that... you get the idea.

I have two brothers, three and four years older than me. Mom took them to church, too. But about the time they became teenagers, they started pushing back on going to church. 'Dad doesn't go; why should we?' (there's a great lesson there about parenting, but that's beyond the scope of this article.) For several years, mom held her ground and dragged them to church with us. But she finally gave up. Before either of them was out of High School, one attempted suicide and the other was hooked on drugs.

Going to church was Jesus' idea. He established the church through the twelve apostles and they nurtured its beginnings through the rest of the New Testament era. Jesus knew how important it would be to have a place for Christians to gather for encouragement and teaching, for support through tough times, as a place from which to do ministry and missions... Going to church is something Jesus knows we need. That's why He started it. And we should take advantage of it as often as possible.

Mission Moment

Mario & Migdalia Morales ~ Juneau, Alaska

Currently the only Hispanic Southern Baptist Church in Alaska, Rescate Church, was planted in 2019 by the Morales. The church had to start over after covid. The congregation has grown to 25 members and 7 baptized. Mario has a unique outreach at his job at a hardware store. He is the only Spanish speaking employee therefore, any Hispanic customers are sent to him. Many in the church have come because of these conversations and connections. Pray for more Hispanic churches would be planted in Alaska.
