The Pastor's Two Bits...

Welcome to Fairfield Glade First Baptist Church! Thank you for choosing to worship with us today! I hope you have a great experience with God as you offer your prayers and praise.

.....

I was looking through some history of FG FBC the other day and noticed that we recently passed the 10 year anniversary of the church moving into this building. On August 26, 2012, the first worship service was held in this building! Many of you were part of the vision and commitment to provide the Fairfield Glade community and this church with a beautiful place of worship. *THANK YOU!*

A couple of months ago, we approved a new Strategic Plan for the church to help guide our ministries for next three years. A small part of that plan was to become

DEBT FREE IN 2023!

We haven't said a lot about that since then, except to quietly kick off a campaign to pay off the remaining \$300,000 or so of our building debt. This church has done a great work over the past ten years of reducing the debt to this point. So, our goal now is to finish the task. Becoming debt free would help us realign financial goals to better serve God in missions and ministry. More of our own folks could serve in missions. We could underwrite more ministries. It would free us to look into the future in terms of maintaining and improving our current campus. A debt-free church is free to serve God more fully and faithfully. You might have noticed some 'thermometers' posted around the church to gauge our progress. Help us turn up the heat on the debt. Together, let's be DEBT FREE IN 2023!

Mission Moment

John and Nadine Overton
Milan, Italy

Missionaries John and Nadine Overton minister in Milan among refugee communities from sub-Saharan Africa. Before moving to Italy, the Overtons served in Senegal and Kenya where they gained knowledge of the people giving them many advantages in working with people from the sub-Saharan area. When Italy was not under lockdown, the Overtons distributed "dignity bags" to refugees. The bags contained warm socks, toothbrushes and toothpaste, lotion, tuna, crackers, fruits and wet wipes. Please pray for the Overtons as they plan to open a global center that will welcome refugees and immigrants so they can have a safe space to study Scripture, have spiritual conversations and study language.
