### *The Pastor's Two Bits...*

Welcome to Fairfield Glade First Baptist Church! Thank you for choosing to worship with us today! I hope you have a great experience with God as you offer your prayers and praise.

\*\*\*\*\*

Our revival services are just a few weeks away. Bro. Monty Bounds will be with us again this year. Our purpose in holding revival services is two-fold: to encourage the church and to use it as a reason to go into our community to invite others in. I want to encourage you to invite everyone you can to our revival services.

God often tells us to GO - Go into all the world and make disciples. But He also tells us to start right here, in our own community. The early church in Acts started in Jerusalem, grew and strengthened itself there, and then ventured out to other places (it was actually forced out, in part, by persecution.) Churches began to crop up in towns and villages throughout the Mediterranean region and eventually throughout the whole world. ...But it all started locally, with a strong, unified, excited, local church. I remember last year's revival services with Bro. Monty. I feel that it was a turning point for the church. I feel that there was a new, refreshed, positive attitude among us. Since then, our attendance has grown and we've worked better together. I have high hopes for this year. I pray that we will be refreshed again and that part of that refreshment will be the addition of new people to the church through salvation, baptism, and/or transferring membership into our congregation. I pray that we will be revived for another year of strong ministry and mission. But it doesn't just happen. Let's get ready. Let's get out there and beat the highways and hedges for people to fill up the church for Jesus!

Jack Wattanawongsawang & Prinna Puakpong ~ Asian Pacific Peoples

March 11, 2011, an earthquake, tsunami, and nuclear power plant meltdown, caused the married couple to be missionaries in Japan. Pray God would continue to bring salvations to entire families, both in Japan and around the world.
