The Pastor's Two Bits...

Welcome to Fairfield Glade First Baptist Church! Thank you for choosing to worship with us today! I hope you have a great experience with God as you offer your prayers and praise.

Blessings to Burdens

In our Men's Bible Study last month, we were working through the book of James. I have studied James before. However, this time a couple of verses really stood out to me in a modern, personal way. In James 5:2-3 it says (NIV) 2- your wealth has rotted, and moths have eaten your clothes. 3- Your gold and silver are corroded. Their corrosion will testify against you and eat your flesh like fire. You have hoarded wealth in the last days. Now the verse at first glance is straight forward. It speaks about the love of money, trusting in material things, or even serving 2 masters. That's always where it stopped for me; I'm good, no issues for me here, moving on. What was different this time is I had just gone through an old tuff box of army memorabilia where I found old Unit shirts which I neatly packed and returned to the box. Perfectly good shirts stored in a box in the garage just waiting on the moths to destroy. That's when I realized that verse was about me. Through 2 moves and 8 years I have carried those shirts in a box. Memories are memories, shirts are shirts and now I'm happy to say I'm wearing and enjoying them again. Everybody has stuff. Praise God we are so richly blessed. But when does that abundance turn into a burden. The self-storage industry in America was estimated at 44.33 billion dollars in 2024. I have so much stuff that I don't use on a daily basis, and I need to pay someone to keep it for me. I have beautiful "collections" yet I'm always complaining about having enough room and dusting them. Now I'm not trying to tell anyone what to do with their "stuff". I just want to remind you not to allow what God has given you for good to become a burden instead of the blessing it was originally intended.

Missions Moments

Jane Thompson & Kimberly Windham ~ Africa

They serve faithfully in a women's prison in Lusaka, Zambia. Their hearts are broken for the women who felt forgotten and unloved. Now, even when incarcerated, they can have freedom in Jesus. Pray more Zambian believers would join this ministry and that many women in the prison find freedom in Christ.
